

Ionic Compounds Worksheet

Use the ion charges to write a neutral formula.

Positive ion	Negative ion	Formula	Name
magnesium	oxygen	_____	_____
aluminum	chloride	_____	_____
calcium	nitrate	_____	_____
sodium	sulfate	_____	_____
iron(III)	oxide	_____	_____
copper(II)	chloride	_____	_____
potassium	phosphate	_____	_____
barium	hydroxide	_____	_____
silver	carbonate	_____	_____
zinc	sulfide	_____	_____
